Dear Sage,

This is a resounding yes.

Congratulations! You are admitted to Portland State University for the Spring 2021 term majoring in Computer Science.

We are pleased to welcome you to Oregon's most diverse, innovative and affordable urban public research university. Join us in the heart of downtown Portland, where you can put your ideas in action and show the world how different is done. Live, work and study with the city as your classroom and the support of our entire campus behind you. We know you are ready to think bigger and bolder, and we're ready to help you do it. We'll stand with you as you stand up for tomorrow.

Your next steps are easy. Go to our checklist for admitted students to set up your student account, check your PSU email account for important messages, and confirm your enrollment. You'll also learn more about student housing, financial aid, and orientation.

Sage, we know college is an important decision, and we want to give you the information you need to make the best choice for you. You inspire us, so let us inspire you. Please contact us to talk with an academic advisor, financial coach, or admissions counselor. You can also get the latest updates on our blog.

You are a Non-resident for tuition purposes. If you have any questions about your status, review our residency requirements or email askres@pdx.edu.

Once again, congratulations and best wishes on your path to success. We hope to see you on campus soon.

Sincerely,

Chuck Knepfle
Vice President for Enrollment Management
Portland State University
